To the Honorable Justices of the Michigan Supreme Courts.

My name is James Carl Phillips Sr. I worked at National Steel. Great Lakes Division in Ecorse, Michigan for over 34 years. During the time I worked at Great Lakes Steel I was in contact with Asbestos in many ways in my job. The Company didn't care about me or my fellow workers working with Asbestos. National Steel sold out to U.S. Steel not caring about Retirees to the fact we don't have Medical Insurance it's hard to get Insurance when over the hill as some people tell. I have asbestosis what's going to happen down the road when this turns to lung cancer. What about my Family. I feel Court rule 2003-47 is Unfair and Unjust.

The real crisis is the Failure of Corporation in the state of Michigan to take responsibility for their bad actions and the willingness of big business and certain conservative Republican Judges to blame the victims of corporate misconduct instead of holding the corporations accountable.

It seems that Michigan and the Michigan Supreme Court are being used as tools of the asbestos industry and big business to deny working people their constitutional rights to jury trials when harmed by corporate misconduct.

Thank you in advance.

James c. Phillips Sr.
